BANK OF JAMAICA

Market Notice
09 July 2019

B-FXITT – STANDARD INTERVENTION TOOL – NO OPERATION – 10 July 2019

Further to the four-week schedule disseminated on 02 July 2019, this is a reminder that Bank of Jamaica will not be conducting any Standard B-FXITT operation on 10 July 2019, and therefore will **not** be receiving applications for the sale/purchase of US Dollars to/from authorised dealers and cambios.

The B-FXITT process remains in place and Bank of Jamaica will continue to assess market intelligence and engage with the foreign exchange market as appropriate.
