

BANK OF JAMAICA

2012 Commemorative Banknotes

The 2012 commemorative Banknote Series, featuring all five denominations, is being issued to commemorate Jamaica's 50th anniversary of Independence (1962-2012). The notes which will be issued to the public on 23 July will circulate alongside the regular banknotes, which will NOT be withdrawn.

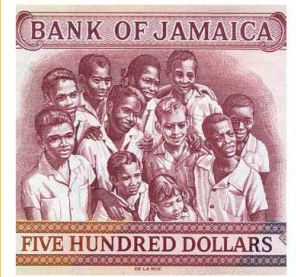

Front

The front of each note remains **UNCHANGED**, except for the printing of the national logo for Jamaica's 50th Anniversary of Independence over the watermark. This Logo features the National Bird (Doctor Bird) in midflight with its head pointing skyward. The bird's tail and flight pattern form the number 50.

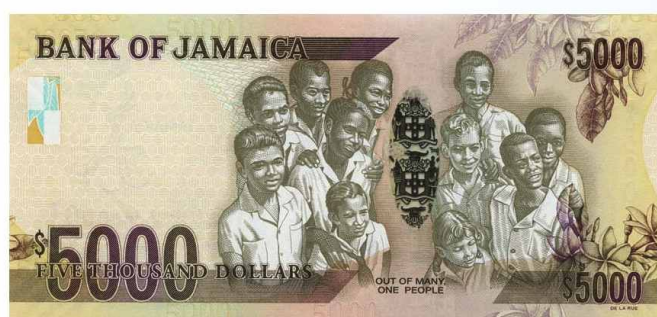

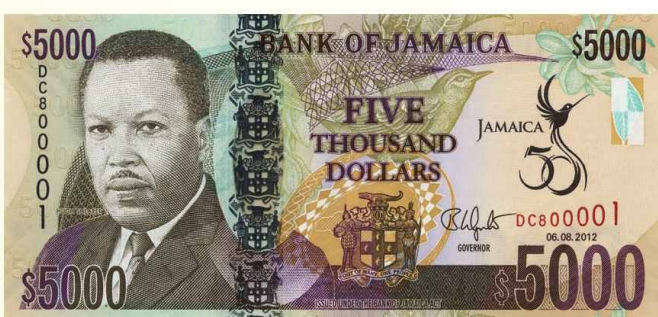

Back

The unique picture on the back of each denomination has been replaced. All five denominations in this commemorative series have a common back, which is a photograph of a group children from Central Branch Primary School (c.1962) depicting the national motto "Out of Many, One People". This photograph previously appeared on the \$2 Note which circulated from 1969 to 1994.

Watermark

The watermark for each note remains **UNCHANGED**. Therefore, the watermark for each note remains the portrait of the subject on that note.

Security Thread

The security thread on each note remains **UNCHANGED**.
