

Market Notice

27 November 2018

B-FXITT – STANDARD INTERVENTION TOOL – NO OPERATION – 28 November 2018

Further to the four-week schedule disseminated on 20 November 2018, this is a reminder that Bank of Jamaica will not be conducting any B-FXITT operation on 28 November 2018, and therefore will **not** be receiving applications for the sale/purchase of US Dollars to/from authorised dealers and Cambios.

The B-FXITT process remains in place and Bank of Jamaica will continue to assess market intelligence and engage with the foreign exchange market as appropriate.
