**NEWS RELEASE**

**US DOLLAR LARGE VALUE TRANSACTIONS BY AUTHORISED FOREIGN  
EXCHANGE DEALERS AND CAMBIOS**

In order to foster greater transparency in the operation of the foreign exchange market and improve access by the public to market information, Bank of Jamaica advises that as of Monday, 20 May 2019, the Bank will be providing additional information on foreign exchange market transactions on its website.

The additional information being provided will be the volume and price for each US dollar transaction (buy and sell) of US\$100,000 or more as reported by authorised foreign exchange dealers and cambios, and will be available on the Bank's website at the end of each day's trading. These transactions do not represent all of the trading on that day but only the individual trades of US\$100,000 or more. The information will not identify the counterparties to each transaction.

In addition, the public will be able to view historical data on this information starting with data for 20 May 2019.
